ORDER.

The Government of India in the Ministry of Health enrol non-government institutions as regular indentors on the Medical Stores Depots, for the supply of stores, on the assurance given by these institutions that the terms and conditions specified by the Government of India in the matter are acceptable by the indentors . The Surgeon General now reports that the acceptance by the Government of India of private institutions as regular indentors, will further be subject to a guarantee from the local Government that the Central Government will be protected against any loss that may be sustained by them in the event of non-acceptance of stores already provisioned for and obtained on behalf of the institutions concerned or non-fulfilment of the obligations arising out of their transactions with the Medical Stores Depots. This Government after careful consideration, have come to the conclusion that they cannot undertake to give any such guarantee on behalf of any private medical institution in this Province in inorder that it may be included as one of the authorised indentors on the Medical Stores Depot, Madras

2.The Trustee, Seva Hospital Gudivada, is informed that he should arrange to get supplies of medical stores required for the Hospital without the assistance of this Government.
